I'd like to thank again, all those people working behind the scenes to make this possible. Again, as stated before, I fully intend . to get even with all of you. In the first month, I've had to answer late night phone calls, respond to emails, write this damn article, hold a meeting and have my garage filled with crap the previous presidents have collected. I don't know how to thank you all enough .Sometimes I lay awake at night wondering how I can repay all of you for this wonderful position. Eventually it will come to me.

Steve O'Brien

Now I'd like to take the time to thank some people. The elected officers who will be assisting for the next two years, the people who volunteered to be on committees and head committees, and finally Brian Cunningham who leaked the secret ballot outcome and gave me time to prepare and hit the tequila section a Sclaris.

Happy Motoring!

Hi everyone, happy 2008. Thank you, but no thank you for nominating me for the 2nd highest office in our great car club. I hope to do as well as the past great officers before me and look forward to supporting the club's needs and finding as many of you as possible for anything I can.

We have always had an excellent club and what makes a great car club are the members. New members and new ideas for functions are always welcome. Thank you to everyone who has stepped forward to host events and other various positions that needed to be filled this year. Dwayne, Thank you for offering to buy everyone super big new badges in any configuration or style, with no monetary limitations. I just ordered a sandwich style name badge, (the type you see guys wearing walking down the street advertising bail bonds or whatever). I hope it will be comfortable, but I know it has working lights and is bulletproof. On the inside it has folding legs so when I take it off I can unfold the legs and have a portable table for car shows or swap meets.

We as a club have a few things to work out, like where is our HAN party going to be held? Will we be parking cars for HAN? Are we going to race the mini cars at Wild Island or Grand Sierra? Is anyone interested in going to either Fernley or Fallon Raceway for some rubber burnin' or maybe just to watch? Some club members are car show people, some are not, either way we should get our cars out as soon as possible and have some fun.

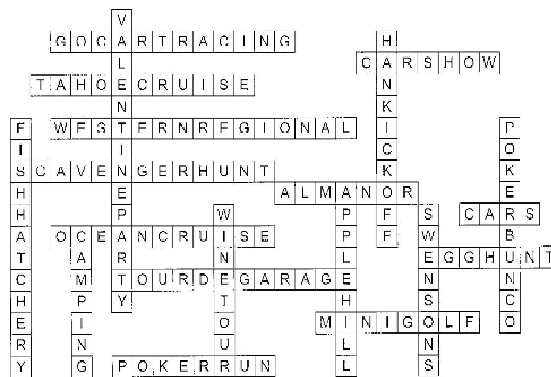

Thank you Hugo and Ann for your efforts regarding our club web site and newsletter. Mike, thank you for the offer of the raffle fridge and the trip we will be taking to Pebble Beach for our Club Golf Tournament.

See Ya, Todd

MEETING MINUTES-JANUARY 17, 2008

Meeting called to order at 7:01 pm. Steve welcomed himself and all the new officers reminding us that he can be impeached at any time. He asked Bryan to give the Treasurer's report and motioned for acceptance. The club accepted and passed the treasurer's report. He welcomed new members Ed Ammerman and Tim _____ who has a 1961 Catalina. I read the November 2007 meeting minutes (last meeting). Mike motioned for approval of the minutes that were passed, by the club.

OLD BUSINESS/NEW BUSINESS

Steve shared that he was adding a new item to our meetings, an "Airing of grievances" and didn't recognize anyone having one.

Steve thanked everyone for the great quality of the Christmas gifts in our gift exchange at the Christmas Party.

He finally recognized Dwayla who asked for new club name badges and has even offered to pay for them herself. She is taking names.

I read "Monkey Business" (A new meeting category???) which included sharing the Arizona POCI Chapter newsletter, Veterans House time and/or financial donations request, and a hilarious story about a man who created his own karma from bringing his motorcycle into his home. Side splitting for me....sorry if you couldn't understand the ending! Story is still available if you didn't catch the ending.

Steve asked for a newsletter report. Ann shared that they would be published every two months and there was some more discussion on whether or not to mail or e-mail the newsletter. Karl is going to investigate the cost of printing options and report back at our next meeting.

ACTIVITIES:

Steve introduced our new activities director, Bart and reminded us Diane will still be organizing the Christmas Party and Ed will still be doing our September car show. He asked all ex-presidents to stand up and be responsible for one club activity during his presidential tenure. Mike stepped forward with organizing a club golf tournament and Grant wants to cruise nude. Steve will call Gary to let him know about this and all ex-presidents can hereby be considered notified about their organizing an activity. We are going to have themed meetings from here forward and Hawaiian themed meetings until further notice. Expect to be fined if you are not dressed and/or prepared in some way for the current theme. Please also remember to pay your annual dues this month, which are now \$25. Steve also asked all members to donate at least four hours at the Grand Sierra during Hot August Nights to raise money for our car club which has been one of the easiest and most successful ways we've ever raised money in the past.

BREAK 7:38-7:50

Hugo volunteered to take over our website design. He will be getting the host information from Ed. Mike announced that he is willing to donate a Coca Cola refrigerator. After much discussion it was decided I'll speak to Mike and Raylene from A & W. Jim will print tickets and Bill volunteered to help. We'll report back at the next meeting on the feasibility of whether or not we'll be able to do this and promote it at A & W. Saturday Feb. 9th, will be porker/bunco night at Grant and Lisa's. Steve asked for birthdays and anniversaries. Judy announced her and Jan are no longer doing them anymore. Bill and Grant offered to do them for this meeting. New member, Mike Nowicki, volunteered to take over this meeting duty in the future. He was also the first person to pay his dues this year.

Jim, Bill and Collin did the raffle. Karl won the first ticket and didn't win the 50/50 raffle. Steve says we are going to start pulling for the ace of clubs because we are "The ace of clubs". Todd did fines with Dwayla and Jan.

Hugo shared that he brought a 1980 Turbo Trans Am.

MEETING ADJOURNED 8:30PM

These old gas stations bring back the memories. Some are still in use others are not. These were submitted by Ed DeMichelle. There are alot in the file, so I will be adding more in future newsletters. Thanx Ed.
