GALEN'S 69 JUDGE

It all started with my father wanting to join the same G.T.O. Club that I was a member of, and have a car to be in the club. On my lunch break, I picked up the Recycler and looked for cars for sale. I found the car I liked and I called the owner. He worked nights so I called at the right time and I was the first person to call. I asked him if he could bring the car to my place of work so I could take a look at it. He agreed and brought the car over. I saw it was a Judge and the build sheet was in the door of the car. I told him "I'll buy the car!" My father and I went to his house to pick up the car and found out several other people had called and wanted to buy it. The first thing I did when we brought the car home, was change the oil and filters. Then I started to look at what was needed to restore the car. I decided it would need new interior, paint and body work. I waited 5 years before I started to take the car apart. I wanted to get all the parts before I started to dismantle it.

The Prez Sez:

It has come to my attention that as a club we will be celebrating our 15th year. This club was founded in 1993 and Diane & Russ Hornung will be throwing our 15th anniversary get together in October at the opening of their new garage/museum/man cave. The first thought is barbeque and cocktails. It's probably a bring your own cocktails, but we can always vote on that one. We've had plenty of good times and unfortunately some bad times in the recent years. As a club, we have managed to press on. I'm looking forward to many more good times with the current members and future members as the club grows. However, it takes people to step up every now and then to insure our clubs survival. Thank you to Elaine, Cindy and Dwayla for stepping up and taking over the membership committee. Chuck and Georgia for handling the briefcase, I realize that was not an easy thing to do and I thank you for your assistance. Let's keep the club rolling and get the cars out to the coming activities. I'm excited about the next 15 years and hope you all are also.

Happy Motoring,
 The Prez

EDITORS CORNER

PontiAction is the official newsletter of the Silver State Chapter of the POCI. I need members to submit pictures of their cars with a story about the car. New members, we would like to hear your stories. Submissions are due on the **FIFTH** day of the month. Submissions received after that will be in the following months newsletter. Submit to: ldywriter@sbcglobal.net (Note I now have my own e-mail address). **OR MAIL TO:** Ann Sweder, 225 Hercules Dr., Sparks, Nv. 89441

The car was separated from the frame and I had the frame sandblasted. Once it was back in my garage again, I started to disassemble the frame and then rebuild the frame back to stock, even to riveting the ball joints as it was done by the factory; not bolting down as done by after market work. I had the motor done to my specs and I re-assembled the engine. The transmission was rebuilt with a new gear ratio in it. After all this was done, I started with the rear end. I had all the hardware re-plated and slowly started to assemble the frame and power train.

When all this was done, I started to look for a painter who could do the job like the factory did. I first dropped off the body and front end. The car body and parts were chemically stripped and then phosphated to protect the steel. I researched on how the paint was done and how the under carriage was masked before painting. I also found out how the underside and inside of the body was painted at the factory. After the body was painted, we mounted the frame and body together. I loaded the car on a flatbed and took it home to finish the assembly.

In the mean time, we moved from California to Reno and we finished the assembly of the car in time for the 40th Anniversary of the G.T.O.

NEWSLETTER AWARDS OF MERIT
1995 – 3RD PLACE, 1996 – 1ST PLACE, 1997 – 2ND PLACE
1996 JUNIOR CHAPTER OF THE YEAR

HAN KICK-OFF PARTY WAS A BLAST!

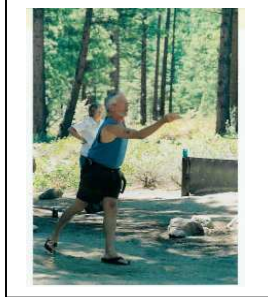

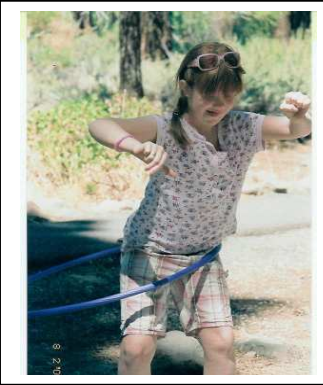

This year's 1960's themed Hot August Nights Kick-off party was another success! We had an excellent turnout with approximately 60 members and family guests. There was a bubble gum blowing contest with the honors going to Jennifer and her husband Michael came in a close second place. Sean O'Brien took first in the paddleball contest with Hugo taking second place. Haley Burmer barely edged out Rhonda in the Hula Hoop contest. Thanks, honey, for the distraction! There was a piñata for the kids and no club party would be complete without the hat game. Alan barely eked out Paul on that one! There were some horseshoe games going on too.

The kudos of the day really go to Wally and his trusty assistant Bill, who did an excellent job with the prime rib AND ice cream! Wally got there before everybody else to get the prime rib started and in between checking on the barbecue made up three batches of ice cream. The black walnut in honor of Norm and Bird, vanilla and peach! Wow! It kept him and Bill busy most of the day!!! Thank you so much, Wally and Bill. Your hard work and time are TRULY appreciated!!!

The sun was shining and lots of pretty cars scattered the parking lot, but they were just a bonus to what it's really all about. Of course, there was lots of great food but most importantly great people to share this fun day with! What a great prelude to a historically and highly anticipated week of fun! Thanks to all who attended. Wishing you all lots of fun this week....See ya' out there!.....Rhonda

HAN KICK-OFF PARTY PICTURES

Fallon's 4th of July Parade
Featuring "Jezebel" dressed up for one of the Entries

Our neighbor, Joe Nash (in the red shirt), a retired USN Lieutenant, is the Regional Vice President of the Fleet Reserve Association (FRA), asked Chuck if he would drive Jezebel in the 4th of July Parade representing the FRA and Chuck was honored to do so. You ask what is the FRA? It's an association of all retired seafarers which is the Navy, Marine Corps and Coast Guard (pending Merchant Mariners). Jezebel was all decked out in the traditional red, white & blue with the FRA logos on the sides – she does look good in our Nation's colors, but then again I'm just a tad prejudiced when it comes to our classic Pontiac!! Joe and Larry Briggs (in the grey shirt), a retired USN Master of Arms Senior Chief, who is the Branch President of FRA, rode along with Chuck and handed out, or I should say threw out candy to the crowds along the parade route – the kids sure liked that! Of course, when we have parades in Fallon, or for that matter, anywhere out West, there will be horses (big, medium, small and miniature). Yes, Chuck had to dodge the horse doo-doo along the parade route and he did a grrreat job keeping the "Tiger Paws" on Jezebel clean of the horse droppings. It was perfect weather for the parade, too – low 80's and some cloud cover with a slight breeze.

Georgia didn't join in the parade – she went shopping instead at the Big R Store which is like a huge hardware store only western style. They were having a 20% off sale on the 4th so I couldn't resist going shopping – great buys and even got a head start on some Christmas gifts.

In the evening, we tried to watch the fireworks from our "loft" window in our newly built 3 1/2-car garage, but this year they changed the fireworks from the fairgrounds to the raceway, so our neighbors' (2-doors east of us) two huge trees in their backyard blocked our view. We would have had a great view if they had the fireworks at the fairgrounds like they did last year. Oh well!! We just went back into our home and watched the Boston Pops Fireworks Spectacular on TV which is always fantastic. It was a purrrfect ending to our Nation's 4th of July celebration. Happy Birthday USA !

FROM RHONDA'S NOTEBOOK

Meeting Minutes ~ June 19, 2008

Meeting called to order at 7:00 PM. Steve asked for new members or guests. None present. Steve asked for us to observe a moment of silence in honor of Norm and Bird. Mike Z. made a motion that the meeting minutes do not have to be read if they're in the previous month's newsletter. The club carried the motion. Bryan read the **Treasurer's Report**, which was barely carried by the club.

Airing of the Grievances ~ No one had one so Steve shared one. He said he doesn't like hearing backlash or criticism of the club officers or activities. If anyone has a problem with anything he is asking for CONSTRUCTIVE criticism, which he and Todd will be happy to listen to or please use the airing of the grievances during our meetings. This is a great opportunity to air your grievance without judgment. This club is about people and the current administration is trying to please all its members. The reason we try to make money, i.e., like the car show, is it's nice to have money in case situations call for it, i.e., Norm and Bird, etc. There's going to be a roadside memorial that more information will be shared at a near future date.

Steve asked for a report from the Activities Committee. No one stood up. He commented that Jenn and I will be organizing the HAN Kickoff party. He asked Mike Z. when he'll be organizing his golf tournament which will be sometime in the next year and a half. We're having a cruise to the El Rancho drive-on on June 27, 2008. Sign-up sheets were passed around.

Old Business

Todd gave the car show report.

Hugot gave a website update. Please submit your car pictures to him through the Webmaster link.

There was discussion on refrigerator ticket sales.

Newsletter issues have been worked out.

Break: 7:35-7:53PM

Mike N and Jan did birthdays and anniversaries.

There was a small auction of donated items by Mike N.

Jim, Bill, and Andrew did the raffle. Vicki won next month's raffle.

Michael B didn't win the 50/50 raffle.

Todd and Steve did fines.

Meeting adjourned at 8:40PM.

FROM RHONDA'S NOTEBOOK

Meeting Minutes ~ July 18, 2008

Meeting called to order at 7:00 PM. No new members but Steve welcomed a full house. June minutes were not available. They will be available in next month's newsletter. Bryan read the **treasurer's report** and the club passed them. Steve introduced Norm and Bird's two sons who thanked the club for its support during this difficult time and also said they'll keep passing things onto the club that they find from Bird. Nancy Beets is here from Hot August Nights asking the club to help out at the Grand Sierra during Hot August Nights Saturday night cruise.

Old Business

Ed gave the car show report. We're still looking for sponsors and getting registrants pre-registered. Please pass out the show forms. Newsletter is going good. Everyone is getting the newsletter the way they requested.

Activities: The drive-in night we had was great. Everyone had a great time. It was fun and affordable. We're going to do it again. Will give a date at the next meeting. Our Han Kickoff party will be August 2. Please sign up and be sure to bring a food dish. Julia and Steve gave a report on her upcoming golf tournament at Kiley Ranch Golf Course in Sparks. Russ reported attending a car show where the Safari Club had a tribute to Norm and Bird. Steve announced the Coca Cola refrigerator we're raffling is now painted. More raffle tickets were issued for selling. It was decided that pictures of the Coke refrigerator will be available for members selling raffle tickets. **All club activities will start getting posted on our website so when/if you miss a meeting please check the website so you don't miss out on club fun!** There will be no phone committee. Our website is www.silverstatepontiac.com.

New Business

No new business. Steve announced he's selling his go-cart go for \$600 because he's trying to make money for restoring his dad's (other) P car.

We are looking for someone to be our membership coordinator, taking over Bird's duties. No volunteers as of yet but please think about it and let Steve know.

Break 7:35PM-7:55PM

Todd talked about the "wild and wooley" Saturday night cruise that HAN is having at the Grand Sierra. They are also looking for our help Thursday-Saturday so not sure if it's Tuesday or Thursday through Saturday. The sign-up sheet is being passed around.

We can make easy money for the club by doing this.

Erin O'Brien is selling floral bulbs for a fundraiser at school. Jan wanted to know when our Christmas party is going to be this year. Diane shared it will be December 13, 2008.

Mike N. and Bill did anniversaries and birthdays.

Bill did the raffle with little Andrew's help.

Next month's 50/50 raffle will be for \$100.

Norm and Bird's sons announced they are donating \$100 for our car show from the White's Trust.

Meeting adjourned at 8:28PM.

JOKES AND THOUGHTS TO PONDER

A woman was walking down the street when she was approached by a particularly dirty and shabby looking homeless woman who asked her for a couple of dollars for dinner. The woman took out her bill fold, extracted ten dollars and asked, "If I give you this money, will you buy some wine with it instead of dinner?"

"No, I had to stop drinking years ago", the homeless woman replied.

"Will you use it to go shopping instead of buying food?" the woman asked.

"No, I don't waste time shopping, I spend all my time trying to stay alive" the homeless woman replied.

"Will you spend this on a beauty salon instead of food?" the woman asked.

"Are you NUTS!" replied the woman. "I haven't had my hair done in 20 years!"

"Well" said the woman, "I'm not going to give you the money. Instead, I'm going to take you out for dinner with my husband and myself tonight."

The homeless woman was astounded. "Won't your husband be furious with you for doing that? I know I'm dirty and I probably smell pretty disgusting."

The woman replied, "That's okay. It's important for him to see what a woman looks like after she has given up shopping, hair appointments and wine!"

THOUGHTS TO PONDER

A CLEAR CONSCIENCE IS USUALLY THE SIGN OF A BAD MEMORY.

WHEN EVERYTHING IS COMING YOUR WAY, YOU'RE IN THE WRONG LANE.

HOW DO YOU TELL WHEN YOU'RE OUT OF INVISIBLE INK?

I COULDN'T REPAIR YOUR BRAKES, SO I MADE YOUR HORN LOUDER.

IF YOU THINK NOBODY CARES, TRY MISSING A COUPLE OF PAYMENTS.

WHAT HAPPENS IF YOU GET SCARED TO DEATH TWICE?

CHANGE IS INEVITABLE, EXCEPT FROM VENDING MACHINES.

CAR SHOW AT A & W – SEPTEMBER 7TH

Raffle Prizes, Goody Bag items, Trophy Sponsors and Vendors are all needed for our car show. At the meetings, will be flyers for car show, vendors and sponsor forms. Please make sure you get these and pass them out.

In this newsletter is a list of car shows and events. Our flyers need to be circulated at these shows. Even if you are not taking your car to any of these, all you need to do is drive by an event and pass out some flyers. This only takes 20 minutes and you get to check out some awesome cars.

If you go to any of the Farmers Markets, remember to take the Vendor forms and pass them out to the Vendors as you are checking out their merchandise. We do not want any food Vendors since our show is at a restaurant.

With the car show flyers, attach a Vendor form. Some may want to bring something for the swap meet or know a Vendor that would like to setup at our show.

Trophy Sponsors – give them 2 sponsor forms with a car show flyer. They can return one sponsor form and keep the other and flyer for their tax records. Remember to put your name and contact number at the bottom of the sponsor form, so they can contact you if they have questions. Make sure the sponsors name address, contact name and phone number are filled in and legible. These are used to send thank you notes.

There is only one month left till our car show. Each member needs to bring a raffle prize to the August 21st meeting. Also, any sponsors you have aquired. We need the help of all members to make this car show a success.

CLASSIC CAR GATHERINGS
